

How to Upload Your Video for the Contest

To participate, upload your video to one of the platforms listed below and share the video link with us. Here's a step-by-step guide to help you:

1. YouTube

1. Log in to your YouTube account.
2. Click on the 'Create' button (camera icon) in the top right corner, then select 'Upload Video.'
3. Select the video file from your computer and follow the prompts to upload.
4. Set the video's privacy to 'Public' or 'Unlisted' (do not use 'Private').
5. Once uploaded, copy the video URL from your browser's address bar or from the 'Share' options.
6. Paste the link on the contest submission form on our website.

2. Instagram

1. Open Instagram on your mobile device.
 2. Tap the '+' button to upload a new video (either to your feed or as an Instagram Reel).
 3. After uploading, go to your profile and find the video.
 4. Tap the video, select 'Copy Link' from the options menu, and paste this link on the contest form.
- Note: Make sure your account is set to 'Public' so we can view the video.

3. Facebook

1. Log into your Facebook account.
2. Go to your profile and click 'Photo/Video' to upload a video.
3. Once uploaded, go to the video, click on the 'Share' button, and select 'Copy Link.'
4. Make sure the post is set to 'Public.'
5. Paste the link in the contest submission form.

4. Google Drive

1. Go to Google Drive (<https://drive.google.com/>) and log into your account.
2. Upload your video by dragging it into the Drive or by clicking 'New' > 'File Upload.'
3. After uploading, right-click on the video, select 'Share,' and make it accessible to 'Anyone with the link.'
4. Click 'Copy Link' and paste it on the contest form.

5. Dropbox

1. Open Dropbox (<https://www.dropbox.com/>) and log into your account.
2. Upload your video by clicking 'Upload Files' and selecting your video.
3. Once uploaded, select the video and click on 'Share.'
4. Under 'Link settings,' make the file accessible to 'Anyone with the link.'
5. Copy the link and paste it on the contest form.

Other File Sharing Platforms

If you are using a different file-sharing platform, ensure your video link is publicly accessible or shared with permissions that allow anyone with the link to view it.

Note: If we are unable to access the video due to privacy settings, the entry may not be considered, so please check your sharing permissions before submitting.

For any issues, please contact our support team. Happy filming!
